

CSE549:

Wrap-up and FAQ

Mid Dec. FAQ

1. **When is the final?**
 - **Tues. Dec. 18 (11:15 AM — 12:45 PM) (note the longer duration)**
2. **Where is the final?**
 - **In this room (Humanities 1006)**
3. **What content will be on the final?**
 - **Technically, you are responsible for all material**
 - **However, the questions will be designed from content we covered after the midterm**
4. **What will the format of the exam be?**
 - **Same as the midterm. Short answer & longer-form “thinking” questions. The final will *not* be proportionally longer —you will have more time per-question than the midterm.**
5. **When is the final project due?**
 - **Dec. 9 at 11:59:59 PM.**
6. **What grade will I get?**
 - **I don’t know (yet)**

What we didn't cover.

Most of bioinformatics and computational biology:

e.g., most of “long read” technology and method development, metagenomics, biological network analysis, “systems” biology (e.g. regulatory inference), biostatistics and statistical interpretation of genomics results, modern approaches of machine learning in bioinformatics (deep learning) and much, much more.
